Help Fill The Sand Traps

Monetary donations are being accepted at the clubhouse from anyone that would like to donate to help fill the sand traps. The sand traps are in need of washed sand. Unfortunately the Cokato Town & Country Club does not have the funds to complete this project this year. We are looking to the membership and general public for help. There are sixteen traps not counting the practice trap. We would like to raise \$2,200, or \$137.00 per trap. Any amount is appreciated. Please help. Thank You!

The Cokato Town & Country Club Board meets the second Monday of the month, 6 pm, at the clubhouse.

Board Meetings are open to the membership.

Correction

Membership card correction. Please note. The name of the Golf course in Hutchinson should read **CROW RIVER COUNTRY CLUB**. They will honor the discount even if the name is wrong.

The Wednesday Ladies League is in full swing. The Ladies were kind enough to pose for the picture prior to teeing off on a beautiful Wednesday morning.

TOTAL Memberships - 136

Hole - In- One Hole Number Four (4)

Bruce Johnson of Dassel, was a very happy golfer the afternoon of May 16th, 2010. Approaching hole number four he had to wait a bit before teeing off. When, what he thought was a clear green, Bruce teed up his ball, and hit a low fade with his 4 Highbred. *"I hit the ball and soon realized that the couple in front of me, were not yet done. I watched my ball hit the ground about five yards in front of the green, and roll towards the pin."* says Bruce. Bruce immediately hurried towards the couple and began apologizing for hitting into them. They were not upset, but were excited for Bruce, as his ball rolled right into the cup. Twenty (20) Year old Johnson, started golfing two (2) years ago. This is his third season. He finished the round scoring a 37. Congratulations Bruce!

Overview from the May Board meeting

- Heard a member's concern about the length of the rough area on the course. Bob Ortquist will cut the rough to a reasonable length.
- Approved the Financial Report
- Bob Ortquist will replace keypads on the storage shed and purchase more greens' flags.
- Election of officers: All officers will remain the same with the exception of Larry Pokornowski. He will be filling the vacancy of Jolynn Cafferty, and will fill the Vice-President position through the next annual meeting.
- Set the Green Fees and cart rental fees for 2010.
- Set prices on advertising and signs.
- Bob Woessner will check prices for insurance.
- Will ask the Dassel Fire Department if they are interested in managing the Pull-Tabs.

Thank You

Would like to Thank our golfers for not leaving garbage, wrappers, cans and other junk laying on the course, and thanks to those of you that pick this stuff up when you see it. Also Thanks for treating the flags with care. Earlier this year we were replacing a lot of broken flags. Keep up the good work.

Connie Ahlgren and Doris Luhman, (Not pictured Mary Claire Krause and Claudette Nelson,) volunteer to plant flowers and weed the flower beds.

Volunteers make a difference

Taking pride in the course and volunteering a little time makes a big difference in the beauty of the course at Cokato Town & Country Club. For many years, four of our Lady Members have added to the beauty of the course by planting flowers and cleaning the various flower gardens. Thank you ladies! Thanks also goes out to **Clarence Vorlicek** and **Don Nelson**. They have volunteered to clean the outside of the clubhouse, trim the bushes, and spruce up the area. Thanks gentlemen!
